PITMAN, United States Magistrate Judge:

This matter has been on the suspense docket while the Court of Appeals considered the appeal in Hirt v. The Equitable Retirement Plan which raised at least some of the same issues that this action raised. Hirt was decided by the Court of Appeals on July 9, 2008, and obviously constitutes binding precedent.

Counsel are directed to confer promptly and to fax me a letter by the close of business on August 11, 2008 setting forth a joint proposal for bringing this matter to a conclusion. If the parties are unable to agree on a joint proposal, the letter

should set forth the parties' respective proposals. Brevity is always appreciated.
